## General Notes

ICHEIC statistics shift in relation to claims processing phenomena, including the following:

1. ICHEIC has occasionally revised its number of eligible claims downward due to the ongoing identification of claims that fall outside of ICHEIC's mission, e.g., non-Holocaust-era claims, claims which - despite efforts to obtain additional information from claimants - do not contain enough information to enable complete processing, as well as replica (duplicate) claims.
2. A number of new claims will continue to be registered as a result of ICHEIC matching exercises.
3. Claims occasionally move within the ICHEIC process due to ongoing efforts to ensure that claimants are given the best possible opportunity to have their claim(s) considered. Examples include claims originally assigned to companies or processing entities that were subsequently determined not to cover the particular portfolios or geographic regions upon which the claims were based. While some claims have been transferred to other companies participating in the ICHEIC process, others have been cycled into ICHEIC's 8A2 humanitarian claims process.

## Notes on the Claims Section

- (a) The 8a1 humanitarian claims process evaluates claims containing only anecdotal evidence referencing a Holocaust-era insurance policy, and for which no supporting documentation can be found. Payments of \$1,000 are made on a per-claimant basis on claims that qualify for an award under this category.
- (b) The 8a2 Humanitarian claims process covers claims on companies that were liquidated or nationalized after World War II and for which no present-day successor company can be identified. Awards in this humanitarian claims process are calculated on a per policy basis in accordance with the ICHEIC Valuation Guidelines
- (c) Awards on appeals are not included herein. These figures are reported separately.
- (d) Decisions on some of the claims included here cannot be made until the GDV verifies that there was no previous compensation paid.
- (e) Between September 2001 and November 2004 the Generali Trust Fund was the implementing organisation for claims received by ICHEIC which (1) named Generali or (2) stated that the policy was bought in a country where Generali operated. The GTF rendered 3188 claims inquiries which named Generali, 1103 of which resulted in offers totalling \$28,600,986. It also matched 1445 claims inquiries which did not name a specific company of which 764 offers were made totalling \$16,328,320.
- (f) The Claims Resolution Tribunal (CRT), located in Switzerland, is responsible for processing a number of Swiss claims.
- (g) The Sjoa Foundation, located in the Netherlands, processes claims on behalf of Dutch insurers.
- (h) The Buysse Commission, located in Belgium, processes claims on behalf of Belgian insurers. ICHEIC's agreement with the Buysse Commission was signed in June of 2003.
- (i) Offers made by ICHEIC Member companies on claims listed as "sent" here are reflected above as offers by the ICHEIC Member companies which are covered under ICHEIC's agreement with the German Insurance Association (GDV)/German Foundation.
- (j) Blocked account cases are paid and processed directly by the German Insurance Association (GDV). A blocked account is defined as a bank account from which the owner was constrained in withdrawing the proceeds due to the legal restrictions on the account imposed by the German National Socialist Regime and other relevant governments.
- (k) Claims that did not name a company and have been matched by companies against their records and/or other sources.
- (l) The General Settlement Fund, located in Austria, processes claims on behalf of Austrian insurers. The GSF is not due to make any offers on claims until all claims have been researched and decided.

## Notes on the Appeals Section

- (1) The Appeals Panel considers appeals on decisions from German insurance companies and the German subsidiaries of non German companies as well as those against Allianz and Allianz RAS which were dated after 16 October 2002.
- (2) The Appeals Tribunal considers appeals on decisions from ICHEIC member companies AXA, Generali, Winterthur, and Zurich as well as those against Allianz and Allianz RAS which were dated prior to 16 October 2002.
- (3) Upon receipt of a final decision claimants have 120 days to file an appeal.
- (4) This excludes offers that claimants have accepted.
- (5) These totals include cases where, subsequent to submitting an appeal form, the appellant either accepts the original offer or withdraws the appeal. These totals are not included in the number of appeals dismissed nor in the number of awards made.
- (6) Between September 2001 and November 2004 appeals on Generali and GTF were considered by the Generali Trust Fund (GTF). As of 12<sup>th</sup> November 2004, the GTF has received 232 appeals. It made an award on 27 and 131 claims were dismissed. 26 Appeals were settled or withdrawn prior to the Appeals Committee hearing. Appeals received after 31<sup>st</sup> November 2004 will be heard by the ICHEIC Appeals Tribunal. The numbers in this section refer only to appeals heard by the Appeals Tribunal.
- (7) This refers to blocked account cases.
- (8) This refers to other non MOU companies in the GDV.
